

bad guys not. **BAD GUYS.**

Evil is the new grey this season, and honey the fashion police should be called on you for not wearing any. Without bad there can be no good, without light there can be no darkness, and with us you'll always be smiling. Go bad today and turn that frown upside down!

"I murdered my whole family and doubled by business' profits. Converting was the best thing thaths happened to me, Thanks Miloth!"

~Chuck, The Misfit

ABOUT US

We've been around since before the old golds, and we'll be kickin it after the new ones are gone too! Miloth has served the planes since the dawn of times and our service wil keep the ball rolling.

Not only can you help the cause by serving her, she can serve your personal desires. If life gives you lemons, don't work for the lemons, make the lemons work for you. We're not here to encourage a new genration of thinkers, we're here to encourage a new genration of DO'ers!

Anything is possible as long with Miloth and Smile Isle Inc at your side.
